December 2015

Marina News

Here we are almost at the end of the 2015 year and the festive season is upon us. After a busy and exciting year we look forward to taking time out to enjoy our families, some R&R and of course put our efforts into repairs and maintenance while the shipyard is quiet. So for some of us, while remaining busy, the pace slows a little.

This Newsletter is for our clients and tenants. We hope that you all enjoy a great festive season and have a safe and peaceful New Year.

From all of us here at Fenwicks Marina.

Staffing changes

Sometimes change comes upon us for all sorts of reasons and 2015 was no different to many other times. To add to an exciting award winning year plus an extremely busy shipyard schedule we made some adjustments to staffing.

It is pleasing to announce the appointed Roman Serkov as Shipyard Manager, and we congratulate him on this extension of his skills as a professional painter, all of which will ensure the expert application to work provided to our customers for their repairs and maintenance.

Tim Fenwick takes on an expanded role from Property Maintenance Manager to Works Coordinator, supporting both Roman and myself in marina operations.

We also welcome Scott Walker, from the Central Coast, who has enthusiastically joined our team.

Happy Boating!

Andrew Fenwick
