## Marina News

Here we are almost at the end of the 2016 year and the festive season is upon us. It has been a busy and exciting year ending with our re-accreditation for a further three years as a **Clean Marina Level 3** and further expanding the audit to add **Fish Friendly status**. I wish to thank all the staff for their assistance in helping to keep our Marina highly accredited.

We look forward to taking time out to enjoy our families, some R&R and of course put our efforts into repairs and maintenance while the shipyard is quiet. So for some of us, while remaining busy, the pace slows a little.

Happy Boating!

**Andrew Fenwick**

### ***Fenwicks - A Fish Friendly Marina***

Fenwicks Marina has always been aware of the local environment and potential impact that operations like ours can have on the fragile ecosystem which supports the health of this great river and asset to the State of New South Wales.

In achieving Fish Friendly status, we are committed to demonstrating an increased awareness of the benefits marinas and their stakeholders can play in recognising benefits and potential risks to our local environment. We have a number of publications which will be available to all our customers and you will see some new signage around the marina early in 2017 to remind us of the marinas' pledge to support the growth of fish stocks and increase awareness of potential marine pests.

We will be making further material available on our website and encourage all our customers to inform themselves of this material. A brochure developed by both the marina Industry and Department of Primary Industries, entitled **10 Tips for a Fish Friendly Marina** is now available in our office and is a great way to update your fish friendly knowledge.

Fenwicks management and staff look forward to working with our customers to increase awareness of this valuable initiative and as always, are happy to receive input and suggestions on how we can improve our environment.

### ***Callaghans Marine Services***

**ANDREW BOTTING**  
*Traditional Shipwright*

**Fenwicks** send best wishes to both Andrew and Troy and their families. We hope they will enjoy the Christmas break and have a prosperous New Year.

Andrew and Troy would like to wish everyone a happy and safe festive season. Hopefully you'll spend some time out on the water with family and friends. Of course you'll eat too much, and your New Year's resolution will be to diet and lose the weight. While you've got five minutes spare check out our new website:
