

## Marina News

As another year draws to a close, and while reflecting on the last 12 months, I would like to wish all our customers, tenants, contractors and employees a very Merry Christmas. May this festive season be filled with family, fun and a liberal serving of relaxation.

During this period many of you will be out in boats enjoying the water, so please be safe while in and on the water, keep an eye on the weather, ensure your vessel is mechanically o/k before setting out. If heading out to sea, make sure you notify **Marine Rescue** of your departure and arrival plans.

During the Christmas New Year period we will again be busy carrying out maintenance on our plant and machinery to ensure we are ready to meet the needs of our customers when we re commence lift and hard standing operations in early January 2018.

Thank you all for your support over the last year and we look forward to working with you again in 2018.

Happy Boating!

### ***Mainsales***

Jeff & I wish everyone a safe, enjoyable holiday followed by a healthy and rewarding 2018.

Mainsales enjoyed a great run up to Christmas with sales exceeding previous years. Both Jeff and I have ordered a larger Turkey for the Christmas table. Thank you!

Mainsales will be closing on Friday 22<sup>nd</sup> December then reopening Tuesday 2<sup>nd</sup> January 2018.

As usual the office phone will divert to our mobile number **0418 216 640** should anyone require immediate attention.

Safe boating and we look forward to seeing you next year,

Ashley & Jeff.

**Fenwicks** wish Ashley, Jeff and their families a very Happy Christmas and we look forward to working again with Mainsales in 2018

### ***The BIA on-line Advance Skipper course***

Our boating industry is constantly searching for ways to assist improving the skills of boat skippers, who have the responsibility of keeping their crews safe.

A very worthwhile initiative of the BIA is the development of an online course for boat owners to test and improve their boating knowledge and skills. It is called **Advance Skipper** and the BIA website with further information is <http://advancedskipper.org.au/>

Refresh your boating knowledge and skills online and unlock a range of insurance, product and service benefits from leading marine industry brands. Observe common boating scenarios from a new perspective. Challenge yourself to think beyond true or false and learn how to handle common risks that have caused boating incidents and accidents. It is a great video, so check it out and enjoy learning!

### ***Merry Christmas from Callaghans Marine Services***

Steve, Leanne and the team would like to extend to all our clients the Season's Greetings and a big thank you for supporting us this year. We wish everyone and their families a safe and happy Christmas and a prosperous New Year ahead.

We have an interesting challenge at the moment until New Year. We have been providing technical support to a good client of ours with a Palm Beach 55 who is circumnavigating Tasmania at the moment in company with another PB50.

They are heading towards Port Davey (from Recherche Bay) at present. The vessel will be back in Sydney in New Year. This project has involved 'Virtual Mechanic' – thank god for Face Time.

**Fenwicks** say Happy Festive season to Steve and Leanne and all their busy workers and "Virtual Mechanics"! Have a safe and prosperous New Year.

**Closed all Public Holidays**

**Open weekdays 8am – 4pm**

**Open Saturdays 9am-12 noon**

**Closed from 22<sup>nd</sup> December 2017 to 9<sup>th</sup> January 2018 for any repairs requiring boats to be lifted to the hardstand.**

## **A&B Boat Covers**
